**Amazing Grace**

"Amazing Grace, how sweet the sound,  
That saved a wretch like me....  
I once was lost but now am found,  
Was blind, but now, I see.

T’was Grace that taught...  
my heart to fear.  
And Grace, my fears relieved.  
How precious did that Grace appear...  
the hour I first believed.

Through many dangers, toils and snares...  
we have already come.  
T’was Grace that brought us safe thus far...  
and Grace will lead us home.

The Lord has promised good to me...  
His word my hope secures.  
He will my shield and portion be...  
as long as life endures.

When we've been here ten thousand years...  
bright shining as the sun.  
We've no less days to sing God's praise...  
then when we've first begun.

"Amazing Grace, how sweet the sound,  
That saved a wretch like me....  
I once was lost but now am found,  
Was blind, but now, I see. (end)

**Let There Be Peace On Earth**

Let there be peace on earth,  
and let it begin with me.  
Let there be peace on Earth,  
the peace that was meant to be.

With God as our Father,  
brthers all are we,  
Let me walk with my brother,  
in perfect harmony.

Let peace begin with me,  
let this be the moment now.  
With every step I take,  
let this be my solemn vow,

To take each moment and live each  
moment in peace, eternally.  
Let there be Peace on Earth,  
and let it begin with me.

**God Bless America**  
by Irving Berlin

God bless America,  
Land that I love,  
Stand beside her and guide her  
Thru the night with a light from above;

From the mountains, to the prairies,  
To the oceans white with foam,  
God bless America,  
My home, sweet home.  
God bless America,  
My home, sweet home.
This Land Is Your Land
words and music by Woody Guthrie

Chorus:
This land is your land, this land is my land
From California, to the New York Island
From the redwood forest, to the gulf stream waters
This land was made for you and me

As I was walking a ribbon of highway
I saw above me an endless skyway
I saw below me a golden valley
This land was made for you and me

Chorus

I've roamed and rambled and I've followed my footsteps
To the sparkling sands of her diamond deserts
And all around me a voice was sounding
This land was made for you and me

Chorus

The sun comes shining as I was strolling
The wheat fields waving and the dust clouds rolling
The fog was lifting a voice come chanting
This land was made for you and me

Chorus

As I was walkin' - I saw a sign there
And that sign said - no tress passin'
But on the other side .... it didn't say nothin!
Now that side was made for you and me!

Chorus

In the squares of the city - In the shadow of the steeple
Near the relief office - I see my people
And some are grumblin' and some are wonderin'
If this land's still made for you and me.

Chorus (2x)

Where Have All The Flowers Gone
words and music by Pete Seeger

Where have all the flowers gone?
Long time passing
Where have all the flowers gone?
Long time ago
Where have all the flowers gone?
Girls have picked them every one
When will they ever learn?
When will they ever learn?

Where have all the young girls gone?
Long time passing
Where have all the young girls gone?
Long time ago
Where have all the young girls gone?
Taken husbands every one
When will they ever learn?
When will they ever learn?

Where have all the young men gone?
Long time passing
Where have all the young men gone?
Long time ago
Where have all the young men gone?
Gone for soldiers every one
When will they ever learn?
When will they ever learn?

Where have all the soldiers gone?
Long time passing
Where have all the soldiers gone?
Long time ago
Where have all the soldiers gone?
Gone to graveyards every one
When will they ever learn?
When will they ever learn?

Where have all the graveyards gone?
Long time passing
Where have all the graveyards gone?
Long time ago
Where have all the graveyards gone?
Covered with flowers every one
When will we ever learn?
When will we ever learn?
**Down By The Riverside**

I’m gonna’ lay down my sword and shield  
   Down by the riverside  
   Down by the riverside  
   Down by the riverside  
I’m gonna’ lay down my sword and shield  
   Down by the riverside  
I’m gonna’ study war, no more

I ain’t gonna’ study war no more  
I ain’t gonna’ study war no more  
I ain’t gonna’ study war – no – more  
I ain’t gonna’ study war no more  
I ain’t gonna’ stu-dy war – no – more!

1) I’m gonna’ lay down my guns and bombs  
2) I’m walk in the way of peace  
3) Gonna shake hands around the world;

**Valley To Pray**

I went down in the valley to pray  
   Learnin' about the good old way  
   And who would wear the starry crown  
   Oh Lord, show me the way

Oh Brother, let's go down  
Come on down, don't you want to go down  
Oh Brother, lets go down  
Down in the valley to pray

As I went walkin in the valley to pray  
   Learnin' about the good old way  
   And who would wear the starry crown  
   Oh Lord, show me the way

Oh Father, let's go down  
Come on down, don't you want to go down  
Oh Father, lets go down  
Down in the valley to pray

I went out walkin' on the mountain to pray  
   Learnin' about the good old way  
   And who will wear the starry crown  
   Oh Lord, show me the way

Oh Sister, let's go down  
Come on down, don't you want to go down  
Oh Sister, lets go down  
Down in the valley to pray

As I went down in the valley to pray  
   Studyin' about the good old way  
   And who will wear the starry crown  
   Oh Lord, show me the way

Oh, let's go down  
Come on down, don't you want to go down  
Oh, let's go down  
Down in the valley to pray

**Dona Nobis Pacem**

Dona nobis pacem, pacem.  
Dona nobis, pacem

This Little Light of Mine

This little light of mine
I'm going to let it shine
Oh, this little light of mine
I'm going to let it shine
Hallelujah
This little light of mine
I'm going to let it shine
Let it shine, let it shine, let it shine

Ev'ry where I go
I'm going to let it shine
Oh, ev'ry where I go
I'm going to let it shine
Hallelujah
Ev'ry where I go
I'm going to let it shine
Let it shine, let it shine, let it shine

All in my house
I'm going to let it shine
Oh, all in my house
I'm going to let it shine
Hallelujah
All in my house
I'm going to let it shine
Let it shine, let it shine, let it shine

I'm not going to make it shine
I'm just going to let it shine
I'm not going to make it shine
I'm just going to let it shine
Hallelujah
I'm not going to make it shine
I'm just going to let it shine
Let it shine, let it shine, let it shine

Out in the dark
I'm going to let it shine
Oh, out in the dark
I'm going to let it shine
Hallelujah
Out in the dark
I'm going to let it shine
Let it shine, let it shine, let it shine

We Shall Overcome

We shall overcome, we shall overcome
We shall overcome, someday, someday
Oh, deep in my heart, I do believe
We shall overcome, someday

We shall live in peace, we shall live in peace
We shall live in peace, someday, someday
We shall live in peace, we shall live in peace
We shall overcome, someday

3) We’ll walk hand in hand, someday.
4) The truth will make us free, someday.

Taps

Day is gone, gone the sun, from the hills, from the lake, from the skies.
All is well, safely rest, God is nigh.

Go to sleep, peaceful sleep. May the soldier or sailor, Spirit keep.
On the land, or the deep, safe in sleep.

Love, good night. Must thou go when the day and the night need thee so?
All is well. Speedeth all to their rest.

Fades the light, and afar goeth day and the stars, shineth bright.
Fare thee well; Day has gone, night is on.

Thanks & praise, for our days, ‘neath the sun, ‘neath the stars, ‘neath the sky
Fare thee well. Peace is near. God is nigh.
Imagine

Imagine there’s no heaven
   It’s easy if you try
   No hell below us
   Above us only sky
Imagine all the people
   Living for today

Imagine there’s no countries
   It isn’t hard to do
Nothing to kill or die for
   And no religion, too
Imagine all the people
   Living life in peace

You
   You may say I’m a dreamer
   But I’m not the only one
I hope someday you’ll join us
   And the world will be as one

Imagine no possessions
   I wonder if you can
No need for greed or hunger
   A brotherhood of man
Imagine all the people
   Sharing all the world

You
   You may say I’m a dreamer
   But I’m not the only one
I hope someday you’ll join us
   And the world will live as one
