Radical Cheer!

my back is aching
my bras too tight
my booty’s shaking from left to right
SOUND OFF...REVOLUTION (2x)
enuf is enuf
we all must rise up

didn't eat today, no place to stay
so kiss the back of my butt, huh
kiss the back of my, (3x)
BUTT!

Ackamacka my soda cracker
your money your job
your institutions that never listen
to the people's needs
its all about greed
so BEEP BEEP BEEP
take your voice to the street
Y'ALL.......

As long as we're sharing songs, here's one I've been using to the tune of
What Do We Do With the Drunken Sailor:

What do we do with the IMF? (2x)
Let it die an early death,
Early in the morning.

Hoo-ray and up we're rising, (3x)
Early in the morning.

What do we do with the old World Bank? (2x)
Bury it somewhere dark and dank,
Early in the morning

We're going to make a world of justice, (3x)
Early in the morning

Or--world of freedom, revolution, etc.

SOLIDARITY FOREVER   (The Prague S26 Version)

The rich are getting richer with their global corporate rules.
They give away our forests and they privatize our schools.
If they think they’ll get away with it, they’re just a bunch of fools!
For our movement makes us strong.

Chorus:
Solidarity forever!
Solidarity forever!
Solidarity forever, for our movement makes us strong!

In tenements and sweatshops, we are giving them a battle.
We're planting corner gardens, and we're shutting down Seattle.
We're organizing unions and we're making cages rattle!
For our movement makes us strong.

(Chorus)

They scapegoat gays and lesbians; they try to mystify us
With racism and sexism and every kind of bias.
But we're taking back the unity the bosses would deny us!
For diversity makes us strong!

(Chorus)

They will lock us up in prisons and they'll hit us with tear gas.
They want you to be petrified if you are working class.
With the power of nonviolence, we are gonna kick their ass!
For our movement makes us strong.

(Chorus)

We're the workers of the planet, we're the ones who get things done.
From Prague to Cincinnati, we are rising like the sun.
When the bosses see us coming, they will turn around and run!
For our movement makes us strong.

(Chorus)
